

## How to apply for eTwinning European prize

You must have received a European Quality Label for your project before you can apply, and the project must have been active in the previous school year. Just go to the project page on your eTwinning Live and you will find the option among all the actions below the project with the EQL:

The screenshot shows the eTwinning Live website. The top navigation bar includes 'PORTALE', 'ETWINNING LIVE', 'I MIEI GRUPPI', 'I MIEI TWinspace', and 'NSS DESKTOP'. The language is set to 'italiano' and there is a 'Logout' button. The main navigation menu has 'PERSONE', 'EVENTI', 'PROGETTI' (circled in blue), 'GRUPPI', 'FORUM DEI PARTNER', and 'SVILUPPO PROFESSIONALE'. Below the navigation, there is a profile for 'Massimiliano D'Innocenzo' and a 'CREA UN PROGETTO' button. The 'Trova progetti' section has a search bar and a 'CERCA' button. The 'Progetti attivi (15)' section shows a project titled 'NSS Helpdesks TwinSpace' with a list of actions: 'TwinSpace', 'Project card: link to your NSS', 'Apply - eTwinning Prizes 2017', 'Download eTwinning Certificate', 'Download the Quality Label for this project.', 'Download the Pupil Quality Label for this project.', and 'Download the European Quality Label'. A blue arrow points to the 'FORUM DEI PARTNER' button, and another blue arrow points to the 'Apply - eTwinning Prizes 2017' link.

**ATTENTION! BEFORE YOU SUBMIT IT IS STRONGLY ADVISED YOU DISCUSS THIS PRIZE APPLICATION WITH YOUR PARTNERS. ONLY ONE PARTNER CAN SUBMIT THE APPLICATION AND THE OTHERS CAN ADD COMMENTS TO IT AFTER IT HAS BEEN SUBMITTED.**

Each project (with EQL) can have only one application and it is not important who submits the application among the partners, so it is important to agree with all and write a comprehensive application. The language should be a vehicular language like English or can be the language linked to the special category (for example, if the project was run in Spanish and partners would apply for Spanish language prize, the application can be in Spanish). **If your partner has already applied,**

you cannot change the application form. You have the opportunity however to comment under each section and add further information.

**NB. The Jurors must have an access to your TwinSpace in order, for them to assess the project properly. Please make sure a visitor access has been set up in your TwinSpace and include the user name and password in your application form**

The application form will be open on your screen.

First of all, you have to decide your age category, among:

- Pupils age 4-11
- Pupils age 12-15
- Pupils age 16-19

### Project description

Below is the text you submitted for the National Quality Award. Please review it, and should you wish, you can edit the text by adding additional information.

If possible, please write information in the language of the project. This will be helpful for your partners to be able to add comments to the project's application form once you have submitted.

**PEDAGOGICAL INNOVATION AND CREATIVITY**

1996 characters

Please provide a description of your project (1 paragraph). Please describe the various pedagogical methods you have used with your pupils during the project work. (Examples; small group work, independent research by pupils, etc.) If your pupils are very young, please describe the methods you used to engage their interest in the project.
